

Resolution 1:

Whereas, the US AHA is considering options for regulatory changes to enhance the prevention and control of Avian Influenza, and

Whereas, the NPIP has a very effective “U.S. Avian Influenza Clean” certification program for poultry breeding flocks, and

Whereas, the “U.S. Avian Influenza Clean” program already has international recognition, and

Therefore be it resolved that the present NPIP “ U.S Avian Influenza Clean” program for poultry breeding flocks be recognized as an integral part of the official, national Avian Influenza Program.
